A Message from the E-Board

Dee Limon recently attended a training titled “Know Your Rights!” sponsored by UC-AFT. Not only did she learn a ton about supporting our staff, she was provided with a great resource list from the US Department of Labor which included the Family and Medical Leave Act, the Americans with Disabilities Act, the California Fair Employment and Housing Act and several others. The E-Board thought these would be of particular interest to our membership so we have added them onto the CCCUE Website for quick access. Thanks for sharing, Dee!

The Danger of Silence

"We spend so much time listening to the things people are saying that we rarely pay attention to the things they don't," says slam poet and teacher Clint Smith. [View the short, powerful piece from the heart.](#)
