A Message from the E-Board

We are in the home stretch and getting ready to close out another successful academic year. We hope you're able to check out a bit of the commencement. It's a rewarding experience to see students mark their success and know that you have been a part of their journey. Without you, they would not have discovered the resources, found the guidance, or given a word of encouragement that they needed. Classified staff make a lot of what students need come to life. While summer may bring a break for our students, we'll still be busy working through the summer session so stay tuned for activities hosted by Classified Professional Development and Caring Campus to connect with your fellow staff.

We Need YOU

CCCUE Stewards Council

A steward is a CCCUE member that represents their department on the union's Stewards Council. They bring their department's perspective and ensure that each departments unique issues are addressed. Do you want to be a part of the CCCUE Stewards Council? We have a small group that have stepped up to volunteer and we would like to see that group grow. The E-Board is actively training our current stewards to be equipped to represent classified staff. Upcoming meetings will include reviewing sections of the CBA, sharing staff concerns, updates on resolutions, items to share at general membership meetings and training on representing staff when enforcing the CBA. Contact VP Jen Noriega to join our next meeting.

We want to hear from you!

If you have anything that you would like to share with union membership – an accomplishment or event that deserves a shout-out, send any and all kudos and well-wishes to be featured in an upcoming newsletter to jacquelyn_contreras@cuesta.edu.
