A Message from the E-Board

Our work on each campus may be revolving around student and faculty support as we enter the final leg of the fall term but we may also be thinking of time away from our desks with family, friends and travel plans as we move toward the holiday season. November brings us a time of reflection and pride for our service members on Veteran’s Day and a time of gratitude and gathering on Thanksgiving. As we enjoy these holidays, the CCCUE E-Board wants you to know that we are thankful for the continued support and collaboration of its members. Your dedication to serving the Cuesta community is greatly appreciated.

Member Resources

Did you know...?

The AFT (American Federation of Teachers) and its California affiliate CFT have websites that have great resources that you may be interested in, including podcasts, newsletters, and stories of other local unions working hard for their members. We’ve gone ahead and linked them on the CCCUE site.

We want to hear from you!

If you have anything that you would like to share with union membership – an accomplishment or event that deserves a shout-out, send any and all kudos and well-wishes to be featured in an upcoming newsletter to jacquelyn_contreras@cuesta.edu.
