A Message from the E-Board

As we reflect on this past year we wanted to share a message of why we continue our mission in this union. [The CFT puts it best](#) when they say “You are not alone in the workplace. As a member of the CFT, you are part of a vital and active organization committed to upholding educational standards for our students and ensuring the best possible workplace for you. The power of the union stems from collective action. That begins with you, but you don’t stand alone. The CFT stands with you. You have a reliable union to call on when you’re having trouble in the workplace and good contracts backed up by strong union representation.” We look forward to representing you in the new year and beyond.

Classified Professional Mentor Program

Remember what it felt like being 'the new kid' on campus? The Classified Professional Development Committee will launch the Classified Professional Mentor Program in January '24. Be on the lookout for an announcement and application to become a mentor to new classified staff. The committee is looking for seasoned employees with at least two years of Cuesta experience to guide newcomers in policies, procedures, event information and campus culture. Your experience could help new staff feel engaged and welcome.

And now...a holiday treat for all.

From all of us on the CCCUE E-Board, we wish you a wonderful holiday season.
